"Ndidi is our most athletic post player. Her challenge will be getting her timing and confidence back and trusting all the hard work that she put in last year rehabilitating her knee. She's very anxious to get back out on the floor. We don't have another post player like her which is why I can't wait for her return to the court. She gets very excited when she's playing and brings a lot of enthusiasm from which her teammates feed. The intangible side of Ndidi is her energy."
