Wet weather was prevalent during Florida's opening month of home play. The Florida-Notre Dame match (above) saw weather-related delays totaling more than four and a half hours. Weather also delayed the Florida-Florida Atlantic match and although the match was scoreless at the end of regulation, the match was ended due to the extremely soggy conditions. The Southeastern Conference home opener versus Vanderbilt set for Oct. 5 was postponed until Nov. 4 due to heavy rains that hit the Gainesville area that weekend.
