SEC SOFTBALL

The Southeastern Conference: Setting the Standard for Intercollegiate Athletics

SEC Softball will celebrate its 14th year of existence in 2010 and has established itself as one of the leading conferences in the sport.

The Southeastern Conference qualified a record nine teams for the 2009 NCAA Tournament - Alabama, Arkansas, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi State, and Tennessee - as the conference made its 12th overall, seventh consecutive, Women's College World Series appearance. For the second consecutive year, Florida received the No. 1 national seed, while the SEC grabbed four total national seeds: No. 4 Alabama, No. 6 Georgia and No. 13 Tennessee.

The highlight of the season was when the SEC advanced a league-record three of the final four teams to the WCWS: Florida, Alabama and Georgia.

Florida claimed its second consecutive SEC title and tournament title with a 26-1 record. The Gators posted a 63-5 overall record. Florida's Tim Walton was named Coach of the Year while Stacey Nelson earned Pitcher of the Year honors. Alabama's Charlotte Morgan was named Player of the Year and the Tide's Amanda Locke captured Freshman of the Year honors. Tennessee's Lillian Hammond was selected as Scholar-Athlete of the Year.

Softball came under the auspices of the Southeastern Conference in the 1996-97 season. Since that time, 10 different conference teams have made appearances in the NCAA Championship, including six teams earning Women's College World Series berths - one by South Carolina in the inaugural season, Alabama in 2000, 2003, 2005, 2006, 2008, 2009, Florida in 2008 and 2009, Georgia in 2009, LSU in 2001 and 2004 and Tennessee in 2005, 2006 and 2007.

Eight teams (Alabama, Auburn, Florida, Georgia, LSU, Mississippi State, South Carolina and Tennessee) have made top-25 appearances and six teams have climbed into the top 10 (Alabama, Florida, Georgia, LSU, South Carolina and Tennessee) of the NFCA/USA Today Poll. At least one SEC team has been ranked in the poll each week since the inception of SEC Softball.

South Carolina is the flagship team of the league with a rich history in softball dating back 35 seasons. The Gamecocks have made 15 NCAA Regional and three Women's College World Series appearances.

Mississippi State played softball for five seasons during the 1980's before resuming the sport when it was added to the SEC. Tennessee added softball in 1995-96, one year before its inception in the SEC. Alabama, Arkansas, Auburn, Florida, Georgia, Kentucky, LSU and Ole Miss began softball programs in 1996-97 to give the league 11 representatives (Vanderbilt does not sponsor softball).

The 1999 season was the first in which the conference was eligible for an automatic berth to the NCAA Championships.

As the sport continues to grow in competitiveness and popularity, the SEC has had six different regular season champions and five different conference tournament champions.

Florida's 2009 SEC Tournament Championship Team
