The singles and doubles Super Bowl Champions from the USTA/ITA National Small College Championships will receive an automatic berth, as well. The USTA/ITA National Indoor Intercollegiate Championships, hosted by Columbia University, is played at the USTA Billie Jean King National Tennis Center in Flushing, NY, Nov. 3-6.

More About the USTA/ITA Southeast Regional Championships

A total of 19 schools comprise the ITA Southeast Regional and the majority are sending members to compete in the singles and/or doubles event.

16 of those schools are sending competitors this weekend: Central Florida, Florida A&M, Florida Gulf Coast, Florida International, Florida State, Florida, Georgia Southern, Georgia State, Georgia Tech, Georgia, Jacksonville, Kennesaw State, Miami, North Florida, South Florida and Stetson.

There will be consolation action for all first-round losers.

Gators at the USTA/ITA Southeast Regional Championships

With Allie Will having already earned a spot in the national tournament, the other six Gators will be competing in the singles draw battling for the Southeast Region title and a berth into next month's grand slam event.

The Gator doubles pairings of Alex Cercone & Sofie Oyen and Caroline Hitimana & Olivia Janowicz also will take the court in Gainesville.

Criteria for the USTA/ITA National Indoor Intercollegiate Championships

Singles: (32 draw)

- 12 Regional Champions
- 8 All-American Quarterfinalists (SE Region: UF's Allie Will)
- 1 All-American Consolation Winner (Stanford's Mallory Burdette)
- 1 Super Bowl Champion
- 1 Host Wildcard
- 1 USTA Wildcard
- 1 ITA Wildcard
- 7 At-Large

Doubles: (20 draw)

- 12 Regional Champions
- 2 All-American Finalists (UF's Sofie Oyen & Allie Will; Stanford's Burdette & Gibbs)
- 1 All-American Consolation Winner (UF's Lauren Embree & Joanna Mather)
- 1 Super Bowl Champion
- 1 Host Wildcard
- 1 USTA Wildcard
- 2 At-Large

At-Large Criteria: To be considered for an at-large selection in women's singles, a player must have played in a Division I USTA/ITA Regional Championship. Players who reached at least the quarterfinals of a Division I USTA/ITA Regional Championship and who are ranked in the top 15 of the Campbell/ITA preseason rankings will automatically receive an at-large spot. Once the top 15 ranking list has been exhausted, the committee will make the remaining at-large selections based on fall results/performance.

To be considered for an at-large selection in women's doubles, a team must have reached at least the semifinals of a Division I USTA/ITA Regional Championship. From this pool, the National Tournament Committee will select doubles teams based on fall results and preseason rankings.

Gators Already in the Indoor Championships Field

By winning the Riviera/ITA All-American Singles Championships and reaching the final of the doubles event, Allie Will earned a spot in singles and doubles field. Will pairs with Sofie Oyen in the doubles event for the second consecutive year, having won the grand slam title last season.

UF's doubles team of Lauren Embree and Joanna Mather also earned an automatic spot in the national field via winning the consolation doubles title at the Riviera/ITA All-American Championships.
