IN MEMORIAM

TOM JONES

Women's Track & Field Head Coach (1993 - 07)

After a lengthy and courageous battle with cancer, University of Florida head women's track and field coach Tom Jones died on March 21, 2007, in Gainesville. He was 62.

Jones oversaw the Florida women's program for nearly half of its existence, serving as head coach for 15 of the program's 35 seasons. Hired prior to the 1992 cross country campaign, Jones guided 71 athletes to 245 All-America honors on the track, while his teams posted a combined 15 top-10 finishes at the NCAA Indoor and Outdoor Championships. Under Jones, UF turned in its highest NCAA finishes of second in 2003, 2004 and 2005 at the indoor championships.

Jones led his squads to six Southeastern Conference titles (1997 indoor & outdoor, 1998 outdoor, 2002 indoor, 2003 outdoor, 2004 indoor), while helping his athletes claim 77 SEC individual or relay titles. He was named NCAA Women's National Indoor Coach of the Year in 1997 and 2002, and the NCAA Outdoor Coach of the Year in 1997.

NCAA COMPLIANCE

PROSPECTIVE STUDENT-ATHLETE

You are a "prospective student-athlete" when you start ninth-grade classes. Before the ninth grade, you become a prospective student-athlete if a college gives you (or your relatives or friends) any financial aid or other benefits that the college does not provide to prospective students generally.

You become a "recruited prospective student-athlete" at a particular college if any coach or representative of the college's athletics interest (booster or representative) approaches you (or any member of your family) about enrolling and participating in athletics at that college. Activities by coaches or boosters that cause you to become a recruited prospective student-athlete are:

- providing you with an official visit;
- visiting you or any other member of your family anywhere other than the college campus;
- placing more than one telephone call to you or any other member of your family; or
- signing a National Letter of Intent or a University of Florida written offer of athletically-related financial aid.

ACADEMICS

It is extremely important for you to give maximum academic effort as you conclude your high school attendance. To practice or play during your freshman year, you must meet the provisions of NCAA Bylaw 14.3, which include: (a) graduating from high school, (b) achieving a minimum cumulative grade point average in 16 core courses, and achieving a corresponding minimum combined score on the SAT, or a minimum sum total score on the ACT as determined by the NCAA Initial Eligibility Clearinghouse. The NCAA Clearinghouse must certify all incoming freshman student-athletes. Therefore, you must register with the clearinghouse as soon as possible.

INDUCEMENTS

- providing cash or loans in any amount, or signing or co-signing for a loan
- providing gifts of any kind, including clothing or equipment
- providing special discounts for goods or services
- providing free or reduced housing/rent
