# MARY WISE

- HEAD COACH
- 21ST YEAR AT FLORIDA
- PURDUE '81

- EIGHTH-WINNINGEST ACTIVE COACH IN THE NCAA

- THE NATION'S WINNINGEST COACH SINCE 1991

The architect of one of the most storied programs in NCAA Division I volleyball history is in the midst of her second decade of excellence in leading the Florida volleyball program. The accomplishments of Mary Wise since being named head coach of the Gators in 1991 have been nothing short of unprecedented.

The list of achievements is long and cements the fact that if there has been one constant to Wise's 20-year tenure at Florida, it is unparalleled success. There hasn't been a single coach in the history of Division I men's and women's basketball, football or baseball with at least 15 seasons of coaching who can claim a better winning percentage than Wise has at Florida (.902).

Consider this: Wise became the first coach in NCAA history to win 100 consecutive games, the first to win 130 consecutive regular-season conference matches and the only coach ever to win 90 percent of her matches in her first 20 seasons at one school. She is the nation's winningest coach since the 1991 season with 632 victories to her credit since her hire at Florida.

Those accomplishments led USA Volleyball to bestow on Wise the title of "All-Time Great Coach" in 2006.

Since arriving at UF in 1991, Wise has propelled a once lackluster program into the epitome of excellence. That was never more evident than in 2010, when Wise's squad – not voted to win the Southeastern Conference for the first time since 1991 – engineered one of the finest campaigns in program history.

The Gators spent eight weeks at the No. 1 spot in the AVCA poll, battling through a grueling schedule to post 10 wins against top-25 opponents during the season. The early part of the schedule proved to be a gauntlet, as Florida faced nine ranked teams in its first 12 matches – winning eight of those contests. Wise's 2010 Gators became the first team in SEC history to post a perfect 20-0 league record, as the conference instituted a 20-match double round-robin format prior to the start of the 2006 campaign. Wise's prize pupil – junior right-side/setter Kelly Murphy – earned AVCA First-Team All-America honors and was named the 2010 SEC Player of the Year. The Gators placed four players on the AVCA All-South Region team and Wise was named both the SEC Coach of the Year and the AVCA South Region Coach of the Year.

Wise joined the exclusive 700-win club during the 2010 season, becoming just the 16th head coach in NCAA Division I history to eclipse that milestone. She ranks 16th all-time among the winningest coaches in NCAA Division I history and is the eighth-winningest active coach all time with 713 career victories.

The Gators hold the nation's longest streak of consecutive 25-win seasons at 20 and also have been ranked among the nation's top-15 in the final AVCA poll each of those 20 years.

It was in 2008 that Wise's proficiency as a true teacher of the game shined. Her squad captured an unlikely 18th consecutive league championship, which broke an NCAA Division I record for the most consecutive conference titles in the sport of volleyball. Wise guided a young squad that featured five freshmen regularly playing in the rotation to the outright league championship and an NCAA Regional Semifinal appearance.

Under her direction, Murphy, a freshman, became the first player in school history to be named the AVCA National Freshman of the Year and senior Kelsey Bowers was named the SEC Volleyball Scholar-Athlete of the Year.

Florida has so dominated the SEC in her tenure that Wise is one of only two coaches in conference history in any sport, men's or women's, to win as many as 18 consecutive conference titles.

Florida's success in the Wise Era, however, hasn't been limited to the conference level. The Gators went more than 10 seasons from 1994-04 without losing a regular-season SEC match – a feat unmatched by any school in NCAA women's volleyball history. In 2003, the Gators won 105 straight games during the course of the season, smashing the previous NCAA record by 36 games.

A pioneer with tremendous vision, passion and enthusiasm for the sport of volleyball, Wise is the only female coach to appear in more than one national semifinal, and she reached the 500-win plateau faster than any other Division I female coach. A 12-time winner of the SEC Coach of the Year award (1991, 1992, 1993, 1995, 1996, 1998, 1999, 2000, 2001, 2002, 2007, 2010), Wise also has been named the national coach of the year twice (1992, 1996).

Her penchant for prosperity on the court has transcended into the regional community. Florida ranked among the top-10 schools in the nation in attendance for the 19th time in the last 20 years in 2010, as countless Gator fans moved through the turnstiles at the Stephen C. O'Connell Center to provide Florida with one of the most electric, intimidating and inspiring volleyball venues in the country.

The NCAA recognized the enthusiasm of Gator fans by awarding Florida NCAA Regional hosting duties in 2006 and 2007, as UF became the first school to host back-to-back regionals and the first to host three total regionals since the pre determined format was adopted in 2003. Florida again hosted a regional in 2009 and is scheduled to host the event in both 2011 and 2013.

As strong as the reputation that has built for her program is in the state of Florida, it extends far beyond the borders of the Sunshine State. On the forefront of increasing awareness and exposure for volleyball, Wise has ushered in a philosophy of innovation when it comes to rules changes and youth volleyball opportunities, and she is routinely regarded as one of the finest resources for coaching in collegiate volleyball.

# HEAD COACH MARY WISE

In April of 2008, Wise helped blaze another trail for the women's volleyball community, as she played an integral role in the organization of inaugural SEC Coaches Beach Volleyball Championships, which marked the first beach volleyball tournament held by an NCAA Division I conference. Later that month, the Birmingham News named her one of the 10 most influential women's sports coaches or administrators in conference history.

Due to the advocacy of Wise and others in the coaching community, the sport of "sand volleyball" was added to the NCAA's list of emerging sports for women in the spring of 2009.

Wise served as the president of the American Volleyball Coaches Association during the 2008 year and held the position of past president until Dec. 31, 2009.

Wise's expertise and intuition have led to numerous appointments on international coaching staffs. Most recently, Wise served as the team leader of the U.S. National Team in the Pan American Cup during the summer of 2010. In May of 2006, she guided the USA Volleyball A2 Team at the U.S. Open Championships, as the volleyball community became one of the first groups to compete in a large-scale event in New Orleans after Hurricane Katrina. She also directed the U.S. National "B" Team at the 1995 World University Games.

Along the way, multiple players under Wise's tutelage have gone on to earn invitations to national teams and compile individual honors. In the summer of 2005, four Gators trained with the USA Women's Volleyball National Team - more than any other school in the country that year.

A Florida player has earned the title of SEC Player of the Year in 14 of the last 16 seasons, including Angie McGinnis in 2006 and 2007, when she became the first setter in league history to claim the honor and one of just five players in the league to win the award on multiple occasions. Since Wise's arrival at UF, 25 players have earned a sum of 59 All-America honors, including a record six combined honors by a trio of players in 2007.

Dating back to Wise's first season, 53 UF players have been named All-SEC a staggering 106 times - an average of 5.3 selections per year. Florida upped the ante even more in 2003, 2006, 2007 and 2010, as a whopping six players were named All-SEC in each of those campaigns.

While the accomplishments of many teams end on the court, that's simply where Florida's begin. With her emphasis on academics in addition to athletics, members of the Gator volleyball team under Wise have combined to earn 126 Academic All-SEC honors since 1991. In 2009, 10 players were named to the SEC Academic Honor Roll and another two earned SEC Freshman Academic Honor Roll recognition. Additionally, six UF players have combined to receive nine Academic All-America honors in Wise's career at Florida.

The Gators have also shown a commitment to playing an active role in community leadership and involvement. Each year members of the Gator volleyball team visit children at nearby Shands Hospital during the Thanksgiving holiday, while players also participate in the Goodwill Gators program. In 2003, Wise helped raise \$7,500 for the Children's Miracle Network after more than 4,000 Gator fans packed the O'Connell Center for a match against

South Carolina. She also organizes and operates the annual Mary Wise Scramble, a golf tournament that benefits PACE Alachua, which provides guidance to young girls who are experiencing conflict in school or at home.

Since winning the SEC Championship in her first season in Gainesville, Wise's affect on volleyball in the state has been nothing short of amazing. UF's annual summer camps typically draw nearly 1,700 eager athletes from all levels who travel to the UF campus in order to learn from one of the finest coaches in the country.

Fittingly, several of Wise's former players and assistants have successfully ventured into coaching, including Michelle Chatman (UCF), Arlisa Hagan (Georgetown), Jeni Jones (Missouri State), Claire Lessinger (South Florida), Prentice Lewis (TCU), Nicole McCray (Panola College), Nikki Shade (South Florida) and Ryan Theis (Ohio), to name a few. Her influence stretched even farther after Wise was the lead editor for the book "Volleyball Drills for Champions." She also produced a series of videos titled "Foundations for Successful Volleyball."

Prior to guiding the Gators, Wise honed her talents at Kentucky as an assistant for five years from 1986-90. During her progression from a graduate assistant to associate head coach, the Wildcats won a pair of SEC titles and advanced to the NCAA Championship three times. Before moving on to Lexington, Ky., Wise had previously served as the head coach at Iowa State from 1981-84. At the time of her hire, she became, at 21 years of age, the

youngest Division I head coach in history before eventually guiding the Cyclones to an 81-63 record, which also included a second-place finish in the Big Eight Conference in 1984.

Wise graduated from Purdue in 1981 with a bachelor's degree in physical education after a standout career as a setter for the Boilermakers. A dean's list student, Wise was a member of Purdue's 1979 and 1980 Big Ten championship teams. A native of Evanston, Ill., Wise resides in Gainesville with her husband, Mark, and their two sons, Matt (21) and Mitchell (16).

# DAVE BOOS

## ASSOCIATE HEAD COACH

### SECOND YEAR AT FLORIDA

### WISCONSIN-OSHKOSH '98

Dave Boos, a renowned volleyball coach with 16 years experience at the highest level, enters his second season at the University of Florida, being promoted to associate head coach in 2011.

Boos, who is involved in all aspects of the Florida program, made a dynamic impact during the 2010 campaign, primarily with the team's defensive scheme and service efforts.

Those two areas flourished in Boos' first season with the Gators as Florida led the Southeastern Conference in both blocks per set (2.84) and service aces per set (1.64). The Gators ranked 10th nationally in rejections per frame and 21st in the country in aces per set. Junior middle blocker Cassandra Anderson led the conference and ranked 28th in the nation in blocks per set at 1.27, while junior right-side/setter Kelly Murphy was the conference leader and 32nd in the country in service aces per set at 0.40.

school's first-ever appearance in the NCAA Division I National Championship match in 2004. He also assisted a team that captured the program's first ever Big Ten Championship in 2002.

Prior to joining the Minnesota coaching staff, Boos spent three seasons as an assistant coach at Indiana (1999-2001), where he helped guide the Hoosiers to an NCAA Tournament appearance in 1999. Boos began his collegiate coaching career as a volunteer assistant at Wisconsin-Oshkosh from 1995-98. Over his coaching career, Boos has helped guide his student-athletes to 33 Academic All-Big Ten selections, 14 All-Big Ten honors, 12 AVCA All-Region awards, 10 AVCA All-America accolades, four Big Ten Defensive Player of the Year honors, four NCAA Division III All-America selections, one Big Ten Player of the Year and one NCAA Division III Player of the Year.

Boos was a player for the Wisconsin-Oshkosh men's club team from 1994-1999 and served as the club's head coach from 1996-1999. He led the team to the National Intramural-Recreational Sports Association Division II National Championship as the setter and head coach in 1996. A four-time First Team All-Wisconsin Volleyball Conference selection, Boos guided the program to conference championships in 1997, 1998 and 1999. The 1998 squad finished the season ranked in the NIRSA Division I Top 5. Boos compiled a 144-36-4 overall record as the club's coach.

Boos graduated cum laude from Wisconsin-Oshkosh with a bachelor's of science degree in 1998. He is married to the former Amy Ward.

"We are very fortunate to have someone with Dave's experience on our staff," Florida head coach Mary Wise said. "We have coached together before and I know first-hand what a quality individual, as well as what an extremely-talented coach, we have in Dave."

Boos joined the Gators after spending three seasons as the head coach at Ball State University in Muncie, Ind. He re-built a storied Cardinals program, tripling the team's win total from his first season in his final year of 2009. Exemplifying his prowess as a recruiter, four players from Boos' 2010 recruiting class were named to PrepVolleyball.com's list of Senior Aces.

Boos re-united with Wise after serving as her assistant coach on the USA A-2 Women's National Team in May 2006. On that squad, he acted as defensive coordinator, while assisting in practice planning and opponent scouting. Additionally, his international experience includes serving as a coaching intern on the USA National Training Team in February 2003.

Boos joined Ball State after five seasons as the associate head coach at Minnesota from 2002-06 under former head coach Mike Hebert. He helped the Gophers to a 142-38 overall record, including an 80-20 Big Ten mark.

Minnesota reached the NCAA Tournament in each of Boos' five years on the staff, earning trips to the national semifinals in 2003 and 2004, including the

Former Xavier standout and Winthrop head coach Sally Polhamus enters her first season as an assistant volleyball coach at the University of Florida.

At Florida, Polhamus will serve as the squad's offensive coordinator and recruiting coordinator, and will be involved in all aspects of the program.

"We are thrilled Sally will be joining our staff," Wise said. "Our players and recruits will soon learn what a special person she is. Sally brings head coaching experience, a creative offensive mind and a terrific work-ethic."

Polhamus has spent the past four seasons as the head coach at Winthrop University in Rock Hill, S.C., where she compiled a career record of 64-59, including an impressive 39-21 mark in Big South Conference play. During that time, her team claimed a share of the 2007 Big South Conference regular-season championship and produced two Big South Players of the Year. In just four seasons at the helm, Polhamus already ranks third all-time in career victories at Winthrop with 64.

"I have incredible respect for Coach Wise and the tradition and family she has created at the University of Florida," Polhamus said. A member of the 2005 Hall of Fame Class at Xavier University, Polhamus was a four-year letterwinner for the Musketeers from 1993-96. She earned All-Midwestern Collegiate Conference honors in 1993 and 1994 and was a first-team All-Atlantic 10 selection in 1995 and 1996. She finished her career as the Musketeers' career kills leader (1,749) and ranked second in career digs (1,338). She was the first volleyball player ever to be inducted into her alma mater's Athletic Hall of Fame.

Polhamus graduated from Xavier in 1997 with a bachelor's degree in health and physical education. She earned her master's in educational administration from Dayton in 1999, where she spent three years as the team's assistant coach and recruiting coordinator.

Prior to joining the staff at Georgia Tech, Polhamus was an assistant coach at Indiana for two seasons.

EAST STROUDSBURG '98

Matt DeLancey begins his eighth season as the strength and conditioning coordinator for the Florida volleyball team, having helped the Gators to seven Southeastern Conference titles and seven NCAA Tournament appearances during his tenure.

DeLancey designs and implements the strength and conditioning program for the Gators. In addition to weight training, the athletes are on a year-round conditioning program that enhances their power, speed, agility, flexibility and overall anaerobic endurance levels.

Since DeLancey's arrival prior to the start of the 2003 season, his impact is evident, as the Gators have posted a 44-11 (.800) record in matches lasting four sets or longer. His program is designed to allow Florida to be as fresh at the end of the fifth game as it was at the start of the match.

"We believe that we have the country's premier strength and conditioning coach for the sport of volleyball," Florida head coach Mary Wise said. "It's one of the factors that has led to our success. It is the attention to detail and the sport-specific, position-specific approach that makes the training we get from Matt so unique. It's not a cookie-cutter program. It is individually designed with state-of-the-art facilities and cutting-edge training. We combine those two factors and that is why we reap the benefits."

DeLancey has 10 years of coaching and teaching experience from the high school to the college level, including a stint as the associate head football coach and head strength coach for the weight lifting team at Carson Long Military Institute and as a graduate assistant at Northern Illinois University.

During the summer of 2002, he interned in the strength and conditioning department at the University of Richmond, where he assisted with football, men's and women's basketball, baseball and men's and women's soccer. In August of 2002, he began working in the strength and conditioning department with the football team and women's throwers at Florida.

In the spring of 2005, DeLancey was promoted to Assistant Director of Strength and Conditioning, Olympic Sports. He also trains the Gator men's and women's swimming and diving teams, field event athletes from the track and field teams.

DeLancey earned his bachelor's of science in physical education and health in 1998 from East Stroudsburg (Pa.) University. He also holds the NSCA, CSCS and USAW Club Coach Level 1 certifications.

DeLancey is married to the former Gator All-American Aurymar Rodriguez. The couple reside in Gainesville.

# A Whole New Look

## THE FOLLOWING ARTICLE APPEARED IN THE 1984 FLORIDA VOLLEYBALL MEDIA GUIDE:

For one thing, Florida's volleyball program could qualify as one of relative obscurity, considering that UF has not fielded a team since 1978. The athletic department was forced to cut the school's volleyball and wrestling programs in '78 to combat a struggling financial situation.

However, Florida managed to put a pretty respectable team on the courts from 1975 until 1978. Coach Kay Johnson guided UF's first-ever squad to a 12-9 record, playing a schedule that was composed entirely of Florida teams.

The 1976 season brought a new coach and several out-of-state opponents into Florida Gym. Coach Jill Stumpe's squad took on Southeastern Conference opponents for the first time and found the competition to be a bit tough. The team registered 16 wins against 18 losses.

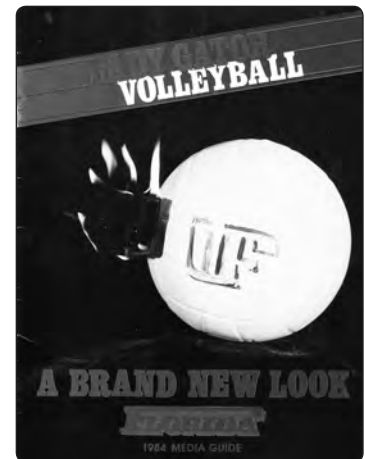

The 1977 season was a tough one for the Gators, as Florida finished third in the state tournament and managed only one win in the AIAW Region III Tournament.

Florida saved its best for last, as the Gators posted a 25-21 record and a runner-up finish in the 1978 state tournament. Janet Appleby was named to the Caribbean Invitational All-Star team and was awarded honorable mention honors at the AIAW Tournament. Appleby shared team MVP honors with Shirley Kendrick and Shirlee Musselman was given the freshman award.

Volleyball is back. With the appointment of Marilyn McReavy to serve as head volleyball coach, the University Athletic Association strengthened its continuing commitment to support a women's athletics program of excellence both in the SEC and on the national level.

Florida narrowly missed capturing the first-ever All-Sports Trophy for women in the SEC this past year. However, it is hoped that with the reinstating of the volleyball program, the Lady Gators can make a strong surge for the prestigious trophy for many years to come.

What lies ahead for the Lady Gator volleyball teams of the future? Well, if history tends to repeat itself, Gator fans will be able to see the nation's best women's collegiate volleyball right here in Gainesville. It appears that Florida fans will definitely see a brand new look in Lady Gator volleyball, both in '84 and in the future.
